Voted- all in favor  
Would sell to raise money for the association

Jason with M public works- sidewalk  
updating strategic plan for bikeways and sidewalks, adequate drop offs for buses. Still taking surveys and can go to the website...  
Interactive map on the website to request improvements for bikeways/walkways/greenways, ect.  
Existing plan is from 2003 updated in 2008 and is behind, needs updating so go to the website and offer feedback  
Hope to have final draft by the end of the year  
Part of the update will be by priority- will be a 3-5 year project.

Donald- Existing sidewalks looks fine, why are they being updated when there are areas that don't have any sidewalks...Sidewalk replacement takes precedence over new sidewalks

Google Fiber- Issues with sidewalks torn up because of Google Fiber...They will be responsible for fixing it. Have had a lot of issues with them around town.

If a developer is tearing up sidewalks, they are responsible to fix it, but can report it through public works. There have been issues with all over Nashville. They are trying to look at different standards, esp for school kids.

Some issues are out of public works control- for example, contractors going over existing driveway aprons.

Recycling and sanitation not being picked  
Hotline for public works - [615-862-8750](tel:615-862-8750)  
Speeding during school time? Need to call traffic division of public works

What expectation is there for 12 South? Want sidewalks as much as possible, but where? Public Works wants to hear from neighbors.

Any plans for parking on 12 South?

Ken Winter- There is, 2008 neighborhood plan is being done at the end of this year and would attempt to get everyone together to discuss parking in the business district. It is a long term problem and parking and development will

Metro planning met with neighbors a few months ago- parking was one of the biggest issues that came up. Metro Planning is working on it. It is a complicated issue.

Business District UDO-Would become policy in the neighborhood- could change how many parking spaces businesses are allowed to have, setbacks, contextual design

Neighborhood design committees

Neighborhood tree planting program this fall- if people want them- Lee

Current plan is to work with Carol Ashworth to pick appropriate trees in their front yard. Neighbors pay for the tree, NA will put them in. Board will put some of their own money in, as well as local businesses. If anyone is interested please let us know.

Open Floor for Questions-

Abbe Keleher- Former secretary for 12 South Board, was offered position to start patrons at play to separate neighborhood issues and fun events. Worked closely with the previous board and is asking for the new board to turn over the Twitter account. Says that it is an asset of Patrons at Play that was established under the old board when the event was established and should be transferred. Board disagrees and will try to meet with Patrons at Play to work it out.

2nd Missionary Baptist church- wants to partner with Neighborhood association for local

8/20- Grill Off event benefits the youth in the neighborhood

Are constantly doing events and would love to partner with the NA

Election Day is 8/4 & it does affect our neighborhood.

Meeting adjourned @ 7:27pm
